PIO

Present: Sara Hallsky; MaryAnn McGuckin, Chris Partis, Jennifer Farquhar, Bob Walker, Jackie Brinegar; Tim Adams, Ray Herbst; Kristi Kato; Steve Bosso; Bruce Shade; Amy Ascani

New Goals

- Training on/testing of JIS/C
- Testing of regional PIO SOG and development of a regional plan
- Creation of a JIS/C, to be included in the regional drill
- Development of basic notification directory with a system for routine updates

Joint Information Systems/Center

- A multi-disciplinary, multi-county drill is being held in Twinsburg on Saturday, September 29. NECO PIOs are invited to participate; let Steve know if you are interested.
- JIC scenarios – continue to follow established pattern of build-up exercises leading to full scale drill.

Resource and Contact Spreadsheet Updates

- Any updates can be sent to Steve.
- PIO documents can be posted on the NECO5 website (www.neco5.org) by emailing them to Kathy at kcoleman@schd.org. The current password for the document library is “necolibrary.”

Other

- Kristi is arranging a JIC-in-the-box training with Brett Atkins in December. The date will be sometime between December 11th and 14th, location to be determined. Bruce, Amy and Bob are going to check on room availability at Stark EMA, Stark Health Department and Robinson Memorial Hospital, respectively.
- Kristi asked Bruce to request the regional Exercise Design Team create a tabletop exercise to be held in March, in preparation for a PIO exercise to be combined with the April/June regional drill.

The next meeting will be held on October 31 at 9:30 at ARHA.
